

Bookings aren't essential but are advised, especially at weekends. Our tearoom is rather small inside.

Group bookings can only be taken for a maximum of 8 people.

Afternoon Tea is served from 2.30pm and is by advance booking only – at least 24hrs notice required. Please mention when booking a table. We offer a vegetarian and gluten free option but not vegan, I'm afraid.

Our whole cakes are available to pre-order and take home – at least 48hrs notice is usually required. Please call or email for more information and a price list.

Thank you
